CONTRACT AND PAYMENT

On the first working day after arrival, every foreign student has to go to the Student Office in their campus to arrange all necessary paperwork regarding the accommodation. Every foreign student has to sign an accommodation contract for the period from the reservation (estimated arrival) to the estimated departure from the dormitory. In case of prolonging the study at the University of Maribor, this contract can be prolonged with an Annex.

The students, who study at the University of Maribor within the framework of Ceepus programme, usually have their rent paid by the Ministry of Higher Education, Science and Technology of the Republic of Slovenia or by the company where they will begin with an internship.

Students have to pay for washing (1,50 € for individual washing) and drying (1,50 € for individual drying) the laundry by themselves.

If you have visitors, who spend a night in your room, you have to pay 4€ per person/per night at the Student Office.

Please contact the Student Dormitories about the exact date of your arrival and departure and inform us about any changes as soon as possible.
