PAYMENT OF RENT AND CAUTION MONEY

On the first working day after arrival or the same day (depending on your arrival time), every foreign student has to go to the Student Office to arrange all necessary paperwork regarding the accommodation. Every foreign student has to sign an accommodation contract. In the Student office you have to pay the caution money 200,00€ for eventual material damage, changing the lock in case of losing the key etc. The money will be refunded to you after your departure, if there is no damage done in your room, etc.

Foreign citizens, enrolled in a fulltime study programme at the University of Maribor have to pay the monthly rent. More about the prices you can find on the web page: www.studentskidomovi.um.si under (CENIKI – [Tržne cene stanarin za tuje študente](#)). The prices of accommodation differ, from dorm to dorm. WE WITHHOLD THE RIGHT TO CHANGE ANY PRICES ON THE PRICE LIST.

The monthly rent includes the use of fitness, internet, bed linen etc., but it does not include costs of washing and drying the laundry. Accommodation also does not include food.

Please contact the Student Dormitories about the exact date of your arrival and inform them about any changes as soon as possible. It is not possible to live in the student dormitories temporarily - in case you intend to find private or other accommodation.
